Bill McConnell was able to obtain another opinion regarding his treatment options from a physician with the OU University Cancer Center in Oklahoma City. He is at high risk for developing AML (leukemia). The treatment is a new, pill-form of the chemotherapy that was originally recommended which he will begin soon. He can still have no visitors without masks at this time due to no immunity. Doctors have seen some very positive results with this treatment.

What the Bible Says About the Supernatural

Scripture Reading

Galations 4: 1-7 NKJV

⁴ Now I say *that* the heir, as long as he is a child, does not differ at all from a slave, though he is master of all,

² but is under guardians and stewards until the time appointed by the father.

³ Even so we, when we were children, were in bondage under the elements of the world.

⁴ But when the fullness of the time had come, God sent forth His Son, born of a woman, born under the law,

⁵ to redeem those who were under the law, that we might receive the adoption as sons.

⁶ And because you are sons, God has sent forth the Spirit of His Son into your hearts, crying out "Abba, Father!"

⁷ Therefore you are no longer a slave but a son, and if a son, then an heir of God through Christ.
